Dear Harold:

I assume by this time you have reeeived my check. I am enclosing a xerox of the original.

In going through my files I could not find any statement of Baer's that Dell would pay the other half. In fact, I found a bill for only $1,600 and am confused where the other money was spent.

Your work with Ray sounds exciting. I hope that this agent can do something with "Coup."

Now that the weather is warmer, maybe Sonia and I will come to see both of you. Best to Lil.

Sincerely,

John
